

PRABHU BHATLAPENUMARTHI

PROJECT MANAGEMENT TRAINER

With over a decade of experience in Project Management and Agile Scrum practices, I have established a solid reputation as a skilled practitioner and accredited trainer. Specializing in equipping industry executives with advanced project management methodologies, I bring hands-on expertise and practical insights to every training session.

ACHIEVEMENTS

- Developed a senior peer support program which increased the productivity rate by 10%.
- Accredited Certification from London Management Qualification

CORE TRAINING SKILLS

- **Project Management:** Expertise in traditional methodologies (Waterfall, PRINCE2) and modern Agile frameworks (Scrum, Kanban, SAFe).
- **Agile Coaching:** Proficient in Agile mindset transformation, team coaching, and executive alignment.
- **Curriculum Design:** Creating tailored training programs to suit organizational needs and industry standards.
- **Workshop Facilitation:** Skilled in conducting interactive, engaging, and result-driven workshops.
- **Change Management:** Guiding teams through organizational changes, ensuring smooth transitions.
- Experience across sectors like IT, Finance, Telecommunication and Consulting
- Global project implementations

SOFT SKILLS

- **Communication:** Clear, concise, and impactful delivery of concepts to diverse audiences.
- **Leadership Development:** Empowering leaders to adopt best practices and inspire teams.
- **Problem-Solving:** Addressing project challenges with innovative and practical solutions.
- **Adaptability:** Customizing training methods to cater to varying organizational dynamics.
